

# Webinar: the 28<sup>th</sup> of January 2022

## Best practice – Chemical burns for healthcare professionals

**We would like to invite you to our webinar  
The 28th of January, 09:00-12:00!**

Change of **best practise** for treatment of chemical burns.

A chemical burn is not the same as a thermal burn! Therefore the best treatment at the emergency room on chemical burns is not the same as for a thermal burn.

The head speakers at this webinar

**Mads Jung-Jensen**

**Jozef Verbelen**

talks about how the approach to chemical burns has change at their hospitals and the results of that change.

**Markus Wahren**

Head of  
Marketing / Education  
Medical Care System AB  
Sweden

**Elodie Pora**

International  
Business development  
Prevor  
France

**Mads Jung-Jensen**
